Board of Advisors

The Mobile Chamber's Top Membership Level

Mission

The Mobile Chamber's Board of Advisors is a membership level that adds additional value by providing a unique forum to connect executives to a broad base of influential leaders in the Mobile area.

The Board of Advisors also provides its members with an avenue for valuable input on critical Chamber and community issues.

Access

The Board of Advisors, through its members, provides opportunities for dialogue, resources and relationship-building by focusing on the following:

- Access to unique programs, people and events to increase awareness of regional issues and initiatives of interest
- Interaction among Advisors to create a more diverse, networked and united business community
- A high level of recognition for Advisors' companies

Requirements

- Local head of firm representing a progressive and successful company that creates value in the business community.
- Has a desire to work in a collaborative manner with other business and civic organizations to build and strengthen our region.

Success Stories

Abe L. Harper, Jr.
President
Harper Technologies, LLC

Joining the Board of Advisors for the Mobile Chamber has been one of the most meaningful and engaging investments we have made in our company. Considering the advocacy the Chamber champions for Small Business and Minority Businesses, it was an easy choice for us to join. The added value of the Board of Advisors being a CEO Peer Construct makes it an absolute must for me, personally. I get to interact with like-minded business executives in much more intimate meeting spaces and have an audience with the region's leaders on a regular basis.

Melissa M. Cross
President
McAleer's Office Furniture

Being a Board of Advisor member is one of the best ways to make a positive impact on the Mobile area business community. As a Board of Advisor member, you are invited to exclusive events which allow you to share your expertise, hear from other community leaders and give guidance on the Chamber's programs and initiatives. You'll also have the chance to network with other business leaders, opening new opportunities for partnerships and collaborations, leading to even more success for yourself and your business. I only wish I had joined sooner!

John White-Spunner
President/CEO
White-Spunner Construction

As an active member of the Board of Advisors, I have the opportunity to collaborate with community stakeholders who contribute to the success of the city as a whole. We work together to ensure Mobile remains a great place to live and work, which means providing input and guidance for necessities like education and the environment. I greatly enjoy and appreciate meeting with other members of the board to discuss these issues. It's a great opportunity for me to stay informed while working to provide solutions.

How do I get started?

01 Fill out Activation Form

The Board of Advisors Activation Form is found in the back of this packet.

02 Submit form
