### 2023 Mobile Chamber Small Business of the Year Finalists Announced

**MOBILE, Ala.** - The Mobile Chamber is pleased to announce the finalists for the 2023 Small Business of the Year Award.

A panel of judges carefully selected the top three small businesses based on their outstanding achievements and contributions to their respective industries.

**The three finalists for the 2023 Small Business of the Year award are:**

**American WeatherStar** - With contracts in more than 35 states, American WeatherStar is a leading manufacturer of commercial and industrial roof restoration coating systems. The company started as a small business selling fluid-applied roof restoration products but has now expanded to manufacture these products in its own facility.

**Port City Industrial** - Port City Industrial specializes in managing warehouse products and provides companies with their material handling needs. The company offers a range of material handling products including loading dock equipment, conveyor systems, roll-up doors, modular office systems, warehouse fans, and pallet racking.

**TC Boiler & Piping, Inc.** - TC Boiler & Piping offers a wide range of mechanical and construction services such as critical alloy welding, demolition services, plant maintenance, turnaround services, hydro testing, structural fabrication, and installation.

The winner will be announced during the Mobile Chamber's Board of Directors and Board of Advisors Summer Reception on June 15 at Crown Hall.
