The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

Travel with an average of 37 people (maximum of 44).

This tour involves walking tours of up to two hours.

During the holiday season it shines brightly with the spirit of Christmas. The ambiance is festive and the décor glitters with gold. The elegant halls are adorned with Christmas trees and ornate decorations while the glow of the lit fireplaces illuminate the rooms. Behold the family dining hall, with the table dressed in the holiday silver, crystal, and china and adorned with seasonal flowers and ribbons. The courtyard and grounds are turned into an English countryside winter wonderland. As you meander through the palace and courtyards, you will be awed by the grandeur and touched by the spirit of the season. With an included Christmas Afternoon Tea, you will enjoy the foods of lords and ladies.
