Important Tour Extension Information:

The overall activity level of this extension is a level 3. This means walking and standing for longer periods of time (2-3 hours) isn't a big deal for you. You can navigate hills and uneven ground, climb into various modes of transportation (tuk-tuk, cable car, zodiac, etc.), and could possibly anticipate changes in elevation. Walking four miles over the course of a day is very doable as is climbing 3 flights of stairs. You can handle altitudes between 6,000 and 9,000 feet. You can expect some longer days balanced with free time. This level is not a fit for travelers that require mobility assistance devices.

Fully-guided extensions are a great way to explore a new destination. Enjoy sightseeing and local experiences led by a Tour Manager or local expert.

We reserve the right to cancel this extension if a minimum of 4 travelers is not met to operate.

Extensions are subject to availability and applicable charges at time of request.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.
