MOBILE CHAMBER NAMED FINALIST FOR PRESTIGIOUS CHAMBER OF THE YEAR AWARD

MOBILE, Ala. (June 4, 2026) — The Mobile Chamber has been named a finalist for the 2026 Chamber of the Year award, presented by the Association of Chamber of Commerce Executives (ACCE). ACCE is an association based in Alexandria, Va., with more than 1,600 chambers of commerce and related business and economic development organizations as members, representing more than 9,000 professionals in the industry.

The award, sponsored by GrowthZone, is the most prestigious and competitive award in the chamber industry, recognizing excellence in operations, member service and community leadership. Those honored with the Chamber of the Year designation have demonstrated organizational strength and impacted key community priorities, such as education, transportation, economic prosperity and quality of life.

“Being named a Chamber of the Year finalist is a powerful reflection of leadership, innovation and measurable impact,” said ACCE President & CEO Sheree Anne Kelly. “We congratulate these outstanding chambers on this well-deserved recognition. They are not only serving their members, they are shaping stronger economies, building more resilient communities and setting a high standard for the chamber profession.”

Chamber of the Year winners will be announced on Tuesday, July 21, during the Awards Show at ACCE’s Annual Convention in New Orleans.

“Being named a finalist for the ACCE Chamber of the Year is a tremendous honor that belongs to every member, every partner and every person who has invested in making Mobile a stronger, more vibrant community. This recognition is a testament to the hard work of our team and the trust our members place in us every day,” said Mobile Chamber President and CEO Bradley Byrne. “We are proud to represent Mobile on a national stage, and we remain committed to driving economic prosperity, expanding opportunity and building a community where businesses and families can truly thrive.”

Chambers of commerce interested in competing for the award must first qualify by participating in a vigorous multi-stage process. Organizations entering the Chamber of the Year competition must meet minimum thresholds in at least three of five key performance areas in ACCE’s Annual Chamber Operations Survey, including net revenue and assets, membership account retention and membership dollar retention.

Qualifying chambers enter the competition with a written application addressing all aspects of organizational operation and programmatic work. Applications are scored by peer chamber executives to determine finalists. The finalists then move on to an interview before a panel of experienced chamber professionals.

To ensure the fairest competition, applicants are grouped into four budget categories. A strong conflict of interest policy signed by all volunteer judges, ensures a competitive and fair playing field for all applicants.

###

About the Mobile Chamber

The Mobile Chamber is a private business organization with more than 1,600 members and the economic developer for the City of Mobile and Mobile County. The Mobile Chamber's focus is to provide members with networking, marketing and professional development opportunities, expand jobs in the area, develop the local workforce, advocate legislative priorities and offer resources to help small businesses grow. Additional information is on the Chamber's [website](#), [Facebook](#), [Instagram](#), [LinkedIn](#), [Twitter](#) and [YouTube](#).

About the Association of Chamber of Commerce Executives

Association of Chamber of Commerce Executives (ACCE) is the professional society supporting the women and men who lead local, regional, statewide and international chambers of commerce and related business and economic development organizations. Our membership includes more than 1,600 business/civic organizations worldwide. We provide our members with information resources, thought leadership, education programs, original research, benchmarking, retirement security, and access to a network of peers.
